Notes to assist with the completion of the Long and/or Short Form A for both UK and the Overseas, and Incoming EEA firms, when making an application to perform controlled function(s) under the approved persons regime (Connect or Paper Form)

Please take time to read these notes carefully. They will help you to fill in the Long and/or Short Form A correctly.

When completing the application forms you will need to refer to the Handbook:
<https://www.handbook.fca.org.uk/>.

If after reading these notes you need more help please:

- check our website;
- consult the Handbook: <https://www.handbook.fca.org.uk/> ;
- call the Customer Contact Centre on 0300 500 0597;
- call the PRA Firm Enquiries: 020 3461 7000
- email the FCA Customer Contact Centre: firm.queries@fca.org.uk ; or
- email the PRA: PRA.firmenquiries@bankofengland.co.uk

These notes, while aiming to help you, do not replace the rules and guidance in The Handbook.

Terms in these notes

These notes use the following terms:

- 'you' refers to the candidate for whom the Form A is being completed by the Applicant;
- 'candidate' (paper forms only) refers to the individual for whom the Form A is being completed by the Applicant;
- 'the Applicant' refers to the firm applying for authorisation of the candidate;
- 'the FCA', 'we', 'us' or 'our' refers to the Financial Conduct Authority;
- 'the PRA', refers to the Prudential Regulation Authority; and
- 'FSMA' refers to the Financial Services and Markets Act 2000.

What is the Form A used for?

The Form A is used by an authorised firm which seeks the FCA and/or PRA's approval under section 59 of the Financial Services and Markets Act 2000 ("FSMA") for a particular individual to perform controlled functions. The Form A is referred to in the Supervision Manual ("SUP") <https://www.handbook.fca.org.uk/handbook/SUP/>

which is part of the Handbook. Full details of the approved persons regime and the application process are given in Chapter 10 of SUP (SUP 10A of the FCA Handbook and 10B of the PRA Handbook).

Applications for corporate candidates must be made using an adapted Form A that will be supplied by the FCA and/or PRA upon request.

Important information about the Form A

The Form A is of the utmost importance to the FCA and/or PRA assessment of the fitness and propriety of the candidate.

All information relevant to the application must be provided to the FCA and/or PRA with the Form A. This applies even if the information is, or is believed to be, already known to the FCA and/or PRA, as a result of it being in the public domain, or has been previously disclosed to the FCA and/or PRA or to another regulatory body. In all circumstances, disclosures should be full, frank and unambiguous. If there is any doubt about the relevance of information, it should be included; if in doubt, disclose it.

If the firm or candidate becomes aware of further information which might be relevant to the application following submission of the Form A, it should provide it to the FCA and/or PRA immediately. The obligation to provide full, frank and unambiguous information does not stop with the submission of the Form A.

The information supplied by the candidate should be verified by the firm wherever possible. If the FCA and/or PRA vetting checks reveal any matters that have not been disclosed, then applications will be delayed and, in some cases, possibly rejected.

The firm is responsible for the accuracy of the data and completion of the Form A. If the Form A is not fully and correctly completed, the FCA and/or PRA may need to return it for proper completion. This could significantly delay the FCA and/or PRA's decision on whether to grant approval to perform the requested controlled functions.

The FCA and/or PRA may require the applicant to provide further information at any time after receiving an application and before determining whether approval is to be granted or not. It may direct the format in which this information is provided, for example, in an interview with the candidate.

Key assumptions about the firm and the candidate

The FCA and/or PRA relies on the information contained in the Form A and makes certain assumptions about the firm and the candidate in considering the information contained in the form. It is very important that the candidate and the firm are aware of these assumptions:

1. it is assumed that the candidate is not performing the controlled function applied for. A candidate must not perform any controlled function until the FCA and/or PRA, has granted approval. If the firm permits the candidate to perform controlled functions without FCA and/or PRA approval it may be in breach of section 59 of FSMA and the candidate may also be in breach of his/her regulatory obligations;
2. it is assumed that the firm and the candidate know and understand the factors which the FCA and/or PRA takes into account when considering the fitness and propriety of the candidate. These factors are set out in the part of the Handbook entitled the Fit and Proper Test for Approved Persons ("FIT")
[\[https://www.handbook.fca.org.uk/handbook/FIT\]](https://www.handbook.fca.org.uk/handbook/FIT);

3. it is assumed that the candidate knows and understands the obligations and responsibilities of an approved person. These are set out in the part of the Handbook entitled the Statements of Principle and Code of Practice for Approved Persons ("APER") [<https://www.handbook.fca.org.uk/handbook/APER>];
4. finally, it is assumed that both the firm and the candidate have read and understood these guidance notes in completing the Form A. The responsibility for the accuracy and completeness of the information supplied rests with the candidate and the firm. Seeking legal and/or compliance advice about how to complete the Form A will not discharge that responsibility.

Completing a Form A using Connect

If you are using Connect to complete a form A it will ask you some initial questions in the Approved Person Application section to determine the sections you need to complete.

Completing a Paper Form A – Long or Short

The Form A must be completed in black ink and (if in manuscript) in BLOCK LETTERS.

Indicate clearly if a question is not applicable. Select the appropriate box where a yes/no answer is required. Where you answer "yes" you must:

1. provide further details in section 6 (Supplementary Information) of the Form A. If there is insufficient space for a detailed answer then you may attach further pages; and
2. tick "yes" at the bottom of the relevant page of the Form A to confirm that you have provided additional information.

If you want to attach additional information to the Form A it must be securely attached, for example by stapling it to the Form A and you should state in section 6 (Supplementary Information) the number of additional sheets attached.

There are two types of Form A; a Long Form A and a Short Form A. The key difference is that the Long Form A requires detailed information about the fitness and propriety of the candidate.

The Short Form A may be used if any of the following conditions apply:

1. an individual who is already an approved person is applying to perform an additional controlled function under an arrangement with the same firm; or
2. the candidate has ceased to perform a controlled function under an arrangement with firm A and now requires approval to perform a controlled function under an arrangement with firm B. These can be two entirely different firms and not just two firms in the same group (however, see the important exception below at paragraph (3)); or
3. an individual who is already an approved person with another firm, firm B, is applying to perform a controlled function for a different firm, firm A and is already approved for that particular group of functions (i.e. either SIF functions: CF1-12B, CF28, CF29, 40 or 50). For example, the individual is approved to perform CF2 non-executive director for firm B and now seeks a second, additional approval to be CF1 director for another firm, firm A.

You should submit a curriculum vitae ('CV') with the Short Form A if:

1. the candidate has never previously held a significant influence function (CF1-12B, 28, 29, 40 or 50); or
2. the candidate's CV has altered from the last time they applied for a significant influence function (i.e. it has changed from the last time the FCA and/or PRA had sight of the CV)

The CV should be attached securely to the Short Form A by stapling it.

The Long Form A must be completed if:

1. the candidate ceased to be an approved person more than six months ago;
2. the candidate or approved person is seeking approval in respect of a significant influence function for the first time; or
3. there have been any matters arising in relation to the candidate's fitness and propriety which mean that their answers to Section 5 of the Long Form A (Fitness and Propriety) may have changed since they last completed a Form A (i.e. since they last made an application for approval).

For example, such matters could include (but are not limited to), where:

- the candidate has been investigated by the FCA and/or PRA, by another regulatory body or an authorised firm;
- the candidate has had CCJs registered against their name or has entered into a voluntary arrangement with creditors (whether formal or informal);
- the candidate has been the subject of a criminal investigation or convicted of criminal offences; or
- the candidate has been the subject of any civil action.

If you are in any doubt whether a Short Form A is acceptable, please submit a Long Form A and make full disclosure of all issues which could potentially be relevant. A Long Form A is acceptable in all circumstances. If in doubt, disclose.

Paper Form A users

Where the application is for the candidate to perform the controlled function(s) at a single firm, the firm should answer questions 3.02, 3.03 and 3.04. However, if the application is being made on behalf of a candidate who proposes to perform controlled functions for more than one firm, then question 3.05 must also be answered to describe the controlled functions and the relationships between the candidate and each firm for which the candidate proposes to perform the controlled function.

Question 3.02 – Guidance about the particular controlled functions can be found in Chapter 10 of the Supervision manual. SUP 10A of the FCA manual and 10B of the PRA manual.

Question 3.03 – This box should be left blank in all cases unless there is a reason to delay the commencement of the performance of the controlled functions (subject to approval) until a date which is after the FCA and/or PRA published standard response times, details of which can be found at:

www.fca.org.uk/your-fca ; and/or

www.bankofengland.co.uk/PRA

The FCA and/or PRA will assume that the firm wishes an application to be determined as soon as possible unless this box is completed and the reason for the delay set out in section 6 of the Form A.

Please note that the candidate must not perform the controlled function until the FCA and/or PRA approval has been granted. To do so will mean that both the firm and the candidate may be in breach of FCA and/or PRA rules and principles.

Question 3.04 - If the candidate seeks approval for a significant influence function, the specific job title of the candidate must be included.

This is not a controlled function in its own right. However, every firm that carries on insurance mediation activities must appoint an approved person(s) who will be responsible for insurance mediation activities at the firm (as detailed at MIPRU 2.2);

<https://www.handbook.fca.org.uk/handbook/MIPRU/2/2.html>

This responsibility must be allocated to a member of the governing body of the firm or in certain circumstances, a senior manager. (i.e. an individual that is applying for approval as CF1, 3-8 or 29).

Please note that insurance mediation is not applicable to Appointed Representatives.

Where a firm has appointed an appointed representative to carry on insurance mediation activity on its behalf, the person responsible for the firm's insurance mediation activity will also be responsible for the insurance mediation activity carried on by an appointed representative.

Mortgage Credit Directive Intermediation¹

This is not a controlled function in its own right. However, every firm that carries on MCD Credit Intermediation activities must appoint an approved person(s) who will be responsible for MCD Credit Intermediation activities at the firm (as detailed at MIPRU 2.2);

<https://www.handbook.fca.org.uk/handbook/MIPRU/2/2.html>

This responsibility must be allocated to a member of the governing body of the firm or in certain circumstances, a senior manager. (i.e. an individual that is applying for approval as CF1, 3-8 or 29).

Where a firm has appointed an appointed representative to carry on MCD credit intermediation activity on its behalf, the person responsible for the firm's MCD credit intermediation activity will also be responsible for the MCD credit intermediation activity carried on by an appointed representative.

Unless the firm indicates otherwise, the FCA assumes that the arrangement given on the application form includes all of the activities that fall within the description of the controlled function. This means that a firm may alter a candidate's responsibilities within the broad description of a controlled function without needing further approval from the FCA.

¹ The term 'Mortgage Credit Directive Intermediation', as used within this application, is equivalent to the term 'MCD Credit Intermediation' as defined with the Glossary of the FCA Handbook.

Employment History

This section will not be displayed if you have been approved for a SIF function within the last six months and your Fitness and Propriety and Employment History has not changed.

If you are using the paper forms, this section contains the notes you will need for Section 4 – Employment history in the past 5 years.

What is the candidate's current employment status?

If you answer Unemployed or in Full time education on Connect or you tick c or d on the Paper Form A then you will be asked the following:-

- Period: From
- Please provide details of the previous employment history

If you answer Employed or Self Employed you will be asked:

- Period: From
- Name of employer
- Nature of business
- Has this employer previously been known by a different name? if yes you will be asked for Previous / other name of employer
- Last known address of employer
- Is/Was the employer regulated by a regulatory body? If yes, you will be asked for Name of regulatory body
- Is/Was the employer an Appointed representative? If yes, you will be asked for: Of which principal firm, the Position held and the Responsibilities?
- Position held
- Responsibilities
- Reason for leaving (if more than one employment)

A full five-year employment history for the candidate must be provided including the current employment at the time of application, with all gaps explained. If the record of employment does not go back five years, all periods of education and unemployment must be indicated. Full details of any periods of self-employment must be included.

Always give the address of the actual place of employment, rather than a central head office.

State the position held by the candidate and a brief explanation of his or her duties. If the candidate's job title included the word "director" but his or her duties did not include those associated with the title of director, as defined in the Glossary, this should be indicated.

Fitness and Propriety

This section will not be displayed if you have been approved for a SIF function within the last six months and your Fitness and Propriety and Employment History has not changed.

If you are using the paper forms, this section contains the notes you will need for Section 5 – Fitness and propriety.

If any disclosures are made in the fitness and propriety section of the application to perform a controlled function, full details should be provided in support of the application. This includes disclosures about any previous disciplinary investigation by previous regulators or employers involving the candidate.

We take non-disclosure seriously, especially where there is an apparent attempt to mislead. Non-disclosure will add to the seriousness of the undisclosed issue. If our vetting checks reveal any matters that have not been disclosed, then applications will be subject to investigation and the candidate's suitability to be approved will be called into question. A person who knowingly or recklessly provides information to the FCA that is false or misleading may commit a criminal offence, and could face prosecution under section 398 of the Act regardless of the status of their application.

You should also be aware that, while advice may be sought from a third party (e.g. legal advice), responsibility for the accuracy of information, as well as the disclosure of relevant information, on the form is ultimately the responsibility of the firm and the candidate.

Connect

Answer the question by ticking the relevant 'yes' or 'no' box. If the answer to any of the questions is 'yes', you will be prompted to provide more details.

Paper Form A

If you answer 'yes' to any of the questions in this section, you must give complete details in section 6 of the form and attach relevant supporting documentation.

Terms used:

- **Criminal proceedings** – includes any proceedings from the point at which an individual or a firm is charged with a criminal offence to the point at which sentence is given.
- **Conviction** – includes any absolute or conditional discharge orders made against the person concerned.
- **Judgement debt** – a court judgment or order requiring a payment of money to be made by the Individual or by a firm at which the Individual previously held a position of significant influence.
- **Authorisation** – includes any authorisation, licence, registration, approval, notification, membership or relevant permission required to carry on any activity. This need not be an activity regulated by the FCA but applies to all activities requiring some kind of authorisation.

- **Position of Influence** – includes acting as a controller, director, senior manager, managing member, designated member, partner company secretary, or otherwise performing a role of similar influence or responsibility.
- **Regulated activities** – includes not only activities regulated by the FCA under FSMA, but also the Payment Services Regulations 2009 and Electronic Money Regulations 2011. It also includes activities regulated by other regulatory bodies (see definition of regulatory body below)
- **Regulatory body** – For the purposes of this form, a regulatory body includes but is not limited to the following:
 - a self-regulatory organisation – including Investment Management Regulatory Organisation (IMRO), Securities and Futures Agency (SFA), Personal Investment Authority (PIA), Life Assurance and Unit Trust Regulatory Organisation (LAUTRO), Financial Intermediaries, Managers and Brokers Regulatory Association (FIMBRA), Association of Futures Brokers and Dealers Limited (AFBD), The Securities Association Limited (TSA);
 - a statutory body, including the Financial Conduct Authority (FCA), Prudential Regulatory Authority (PRA), Financial Services Authority (FSA), Office of Fair Trading (OFT), Securities and Investments Board (SIB), the Society of Lloyd's, the Registry of Friendly Societies, the Friendly Societies Commission, the Building Societies Commission, the Bank of England, HMRC, the Treasury – Insurance Directorate (formerly the DTI) and the recognised bodies;
 - the Serious Organised Crimes Agency (SOCA) or the Serious Fraud Organisation (SFO) or any police body;
 - a designated professional body (a professional body designated by the Treasury under section 326A of the Financial Services and Markets Act 2000); or the equivalent of any of these regulatory bodies overseas.

It is for senior management to decide what checks should be made. Under the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (the Order) (see Articles 3 and 4 of the Order) the FCA and/or PRA and the firm have a right to ask about spent, as well as unspent, criminal convictions for employment purposes about candidates for approved person status.

Whilst Cautions may become spent, the exceptions listed in the exceptions order made under the Rehabilitation of Offenders Act 1974 allow the FCA to require an applicant to give details of spent cautions. This requirement does not apply however to "protected" cautions. Protected cautions are defined in article 4 of The Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013 (SI 2013/1198) (the Order).

An applicant who has been given a caution should check article 4 to see if their caution meets the conditions in the article. If it does, the applicant is not required to disclose the caution to the FCA; if it does not, they are required to disclose the caution (see <http://www.fca.org.uk/your-fca/documents/disclosing-convictions-in-form-a>)

Please also note that FIT 2.1.3G contains non-exhaustive guidance on factors that the FCA may take into account (on a case-by-case basis) when determining an application for Part V approval and that, in any event, it is FSMA that sets out the threshold that a person must meet in order to be approved to perform a controlled function.
