I have supplied further information related to this page in Section 4 YES NO

A *statement of responsibilities* should be drafted to clearly show the responsibilities that the *candidate* or *senior manager* is to perform as part of their *senior management function* and how they fit in with the *firm's* overall governance and management arrangements. A *statement of responsibilities* should also be consistent with the *firm's management responsibilities map*, if applicable. *Small non-directive insurers* and *insurance special purpose vehicles* (ISPVs) are not required to have *management responsibilities maps*.

A *statement of responsibilities* should be drafted in such a way as to be practical and useable by regulators. The FCA and the PRA consider that this would be achieved by succinct, clear descriptions of each responsibility which avoid unnecessary detail. *Firms* have the opportunity to provide details of each responsibility allocated to an *individual* using the free text boxes in this form, however, the PRA and FCA would not usually expect the description of each responsibility to exceed 300 words.

A *statement of responsibilities* must be a self-contained document. There should be one statement per *senior manager* per *firm*. Where an *individual* performs a senior management function on behalf of more than one *firm* within a *group*, one *statement of responsibilities* is required for each *firm*. Any supplementary information may be provided in section 4 (or if submitting electronically, in a **single** attachment). A *statement of responsibilities* must not cross refer to other documents, attachments or links.

A *statement of responsibilities* should include responsibilities held in relation to *FCA controlled functions* that are included in a *PRA controlled function* under SUP 10C.9 (Minimising overlap with the *PRA senior managers regime*).

If the appropriate regulator considers that the *statement of responsibilities* is not sufficiently clear to be practical and usable, it could be challenged as part of a *candidate's* or *senior manager's* application for approval, or in ongoing supervision.

Details of the *individual's* responsibilities should be set out in Sections 3.2 to 3.4, as appropriate:

- Section 3.2 covers *prescribed responsibilities* required by regulators to be allocated to one or more *senior managers*. This section does not apply to incoming EEA branches.
- Section 3.3 covers having overall or local responsibility for each of the business areas, activities, and management functions of the *firm*. This section does not apply to *small non-directive insurers*, ISPVs or incoming EEA branches.
- Section 3.4 covers anything else, not otherwise included, for which a *candidate* or *senior manager* is to be responsible as part of their *FCA* and/or *PRA senior management function(s)*. EEA branches should complete this section to set out any matters for which a *candidate* or *senior manager* is to be responsible as part of their *FCA senior management function(s)*.

3.1 Effective date and relevant Senior Management Functions

3.1.1 Please state the effective date of this *statement of responsibilities*:

Please note that where this is a revised *statement of responsibilities*, i.e. since the granting of the application, there has been a significant change in the aspects of the *firm's* affairs which the *senior manager* is responsible for managing in performing the function (for example, a change in allocation of responsibilities within the *firm*, or the *senior manager* is applying for a new or additional *senior management function*), then this *statement of responsibilities* supersedes any previous versions.

3.1.2 List all *senior management functions* which the *candidate* or *senior manager* is to perform and the effective date the *candidate* or *senior manager* commenced or will commence the performance of their functions.

The table below sets out the full list of *senior management functions* (SMFs). Please refer to the *PRA Rulebook* and *FCA Handbook* for the mandatory SMFs for your *firm*.

This *statement of responsibilities* is considered to automatically include the existing legal and regulatory obligations where they exist for these roles and functions. For example, certain specific responsibilities of a director are set out in company law. Such responsibilities do not need to be recorded in this statement, but any additional responsibilities should be recorded in the sections below.

3.1.3 Please indicate those FCA functions that are included in a *PRA senior management function* under SUP 10C.9 (Minimising overlap with the *PRA approved persons* regime).

3.2 Prescribed Responsibilities

This section deals with those *prescribed responsibilities* to be allocated to one or more *senior managers*. The allocation of responsibilities under a *statement of responsibilities* should not reduce or alter the scope of any applicable *prescribed responsibilities*. EEA branches are not required to assign *prescribed responsibilities* and should leave this section blank.

If the responsibilities that the *candidate* or *senior manager* is to carry out as described in the *statement of responsibilities* go beyond those set out in this section, those additional responsibilities should not reduce or alter the scope of the *prescribed responsibilities* set out in this section.

(FCA SUP 10C.11/PRA: Allocation of Responsibilities)

3.2.1 Please indicate below which of the responsibilities listed are/will be allocated to the *candidate* or *senior manager*, if any, and whether or not they are shared. Different *prescribed responsibilities* apply to different types of *firm* as indicated in the table below.

Note: the form includes references to provisions in the *FCA Handbook* which are also set out in the *PRA Rulebook*, sometimes in slightly different wording. Where this is the case, the underlying provisions should be interpreted as equivalent in substance unless indicated otherwise. Any differences are purely presentational.

If the *individual* has not been allocated a *prescribed responsibility*, please go to Section 3.3.

The responsibility should be recorded in the same way in the statements of responsibilities for each *individual*.

Additional information must be relevant, succinct and not dilute or undermine the *prescribed responsibility*.

3.3 Overall or Local Responsibility

This section deals with having overall or local responsibility for any of the business areas, activities, or management functions of the *firm*. Section 3.3.1 applies to *UK SMCR banking firms*, Solvency II insurers and *large non-directive insurers*. Third country branches should apply the local responsibility requirement and complete Section 3.2.2 instead.

3.3.1 Overall Responsibility

By overall responsibility we mean the ultimate responsibility (under the *governing body*) for managing or supervising that function, and primary and direct responsibility for briefing and reporting to the *governing body* about that function and putting matters for decision about that function to the *governing body* of the *firm*.

If the *individual* has overall responsibility for any or part of the business areas, activities, or management functions of a *firm*, please provide details of each in the table below.

Where responsibilities are shared (for example, a responsibility may be shared as part of a job share or where departing and incoming *senior managers* work together temporarily as part of a handover), please provide details of any sharing arrangements including, if known, the name(s), IRN(s) and/or job title(s) of the individual(s) you are sharing this responsibility with. The responsibility should be recorded in the same way in the *statements of responsibilities* for each *individual*.

If the *individual* does not have overall responsibility for a business area, activity or management function of the *firm*, please go to Section 3.4.

A *firm* may wish to refer to SYSC 25 Annex 1G (replicated in Annex A of this form) to help it make sure it has not failed to allocate overall responsibility for a particular activity of the *firm*. Please note that the *FCA* does not require *firms* to organise themselves by the functions in SYSC 25 Annex 1G, and that the Annex is not comprehensive. It is important that a *firm* does not fail to allocate overall responsibility for business areas, activities and management functions, in line with SYSC 26.

Please provide a title for this overall responsibility	Please provide further details of this overall responsibility.	Is this overall responsibility shared? If 'Yes' please provide the name(s), IRN(s) and/or job title(s) of the <i>individual(s)</i> you are sharing this responsibility with (where known)

3.3.2 Local Responsibility

Local responsibility is explained in SYSC 26. In summary, by local responsibility we mean:

- a) for a *person* who is allocated local responsibility under SYSC 26, ultimate responsibility (under the *governing body* of the *branch*) for managing or supervising that function and primary and direct responsibility for briefing and reporting about that function to the *branch's governing body* or equivalent and for putting matters for decision about that function to the *branch's governing body* or equivalent. SYSC 26 states that, in general, the *FCA* expects that a *person* to whom overall responsibility for a function is allocated under SYSC26) will be the most senior employee or officer responsible for managing or supervising that function under the management of the *branch's governing body*;
