A *statement of responsibilities* should be drafted to clearly show the responsibilities that the *candidate* or senior manager is to perform as part of their *controlled function* and how they fit in with the *firm's* overall governance and management arrangements. A *statement of responsibilities* should also be consistent with the *firm's management responsibilities map*.

A *statement of responsibilities* should be drafted in such a way as to be practical and useable by regulators. The *FCA* and the *PRA* consider that this would be achieved by succinct, clear descriptions of each responsibility which avoid unnecessary detail. Firms have the opportunity to provide details of each responsibility allocated to an individual using the free text boxes in this form, however, the *PRA* and *FCA* would not usually expect the description of each responsibility to exceed 300 words.

A *statement of responsibilities* must be a self-contained document. There should be one statement per senior manager per firm. Where an individual performs a senior management function on behalf of more than one firm within a group, one *statement of responsibilities* is required for each firm. Any supplementary information may be provided in section 4 (or if submitting electronically, in a **single** attachment). A statement of responsibilities must not cross refer to or include other documents, attachments or links.

(SUP 10C.11)

If the appropriate regulator considers that the *statement of responsibilities* is not sufficiently clear to be practical and usable, it could be challenged as part of a candidate's application for approval, or in ongoing supervision.

Details of the individual's responsibilities should be set out in sections 3.2 to 3.4, as appropriate:

- Section 3.2 covers those responsibilities required by regulators to be allocated to one or more senior managers.
- Section 3.3 covers having local responsibility for each of the business areas, activities, management functions and risks of the firm.
- Section 3.4 covers anything else, not otherwise included, for which a candidate or senior manager is to be responsible as part of their *FCA* and/or *PRA* senior management function(s) role.

3.1 Effective date and relevant Senior Management Functions

3.1.1 Please state the effective date of this *statement of responsibilities*:

Please note that where this is a revised *statement of responsibilities*, i.e. since the granting of the application, there has been a significant change in the aspects of the firm's affairs which the individual is responsible for managing in performing the function (for example, a change in allocation of responsibilities within the firm, or the senior manager is applying for a new or additional senior management function), then this *statement of responsibilities* supersedes any previous versions.

3.1.2 List all *senior management functions* which the *approved person* is to perform and the effective date the *person* commenced or will commence the performance of the functions.

SMF	Description	Tick SMF applied for or held	Effective Date
SMF2	Chief Finance function		
SMF3	Executive Director		
SMF4	Chief Risk function		
SMF5	Head of Internal Audit		
SMF7	Group Entity Senior Manager		
SMF16	Compliance Oversight		
SMF17	Money Laundering Reporting		
SMF19	Head of Overseas Branch		
SMF22	Other local responsibility function		

This *statement of responsibilities* is considered to automatically include the existing legal and regulatory obligations where they exist for these roles and functions (for example, the Money Laundering Reporting function). Such responsibilities do not need to be recorded in this statement, but any additional responsibilities should be recorded in the sections below.

3.2 Prescribed Responsibilities

This section deals with those responsibilities to be allocated to one or more senior managers. The allocation of responsibilities under a statement of responsibilities should not reduce or alter the scope of any applicable prescribed responsibilities.

If the responsibilities that the candidate or senior manager is to carry out as described in the statement of responsibilities go beyond those set out in this section, those additional responsibilities should not reduce or alter the scope of the prescribed requirements set out in this section.

(FCA SUP 10C.11/PRA: Allocation of Responsibilities)

3.2.1 Please indicate below which of the responsibilities listed are/will be allocated to this individual, if any.

If the individual has not been allocated a prescribed responsibility, please go to section 3.3.

3.3 Local Responsibility

This section deals with having local responsibility for each of the business areas, activities and management functions of the firm.

Local responsibility is explained in SYSC 4.8. In summary, by local responsibility we mean:

- a) for a person who is allocated local responsibility under SYSC 4.8.10R(1), ultimate responsibility (under the *governing body* of the *branch*) for managing or supervising that function and primary and direct responsibility for briefing and reporting about that function to the branch's governing body or equivalent and for putting matters for decision about that function to the branch's governing body or equivalent. SYSC 4.8 states that, in general, the FCA expects that a *person* to whom overall responsibility for a function is allocated under SYSC 4.8.10R(1), will be the most senior employee or officer responsible for managing or supervising that function under the management of the *branch's governing body*.
- b) for a person who is allocated local responsibility under SYSC 4.8.10R(2), a person who is directly involved in the management of the relevant activity, business area or management function. SYSC 4.8 states that, the FCA expects that a *firm* appointing someone to have local responsibility for a function under SYSC 4.8.10R(2) will appoint the most senior employee or officer of the *firm* with responsibility for that activity, business area or management function.

(SYSC 4.8)

- 3.3.1 If the individual has local responsibility for any or part of the activities, business areas or management functions of a branch, please provide details of each in the table below.

Where responsibilities are shared (for example, a responsibility may be shared as part of a job share or where departing and incoming senior managers work together temporarily as part of a handover), please provide details of any sharing arrangements including, if known, the name(s), IRN(s) and/or job title(s) of the individual(s) you are sharing this responsibility with. The responsibility should be recorded in the same way in the statements of responsibilities for each individual.

If the individual does not have local responsibility for an activity, business area or management function of the branch, please skip this section.

A *firm* may wish to refer to SYSC 4 Annex 1G (replicated in Annex A of this form) to help it make sure it has not failed to allocate local responsibility for a particular activity of the firm. Please note that the FCA does not require firms to organise themselves by the functions in SYSC 4 Annex 1G, and that the Annex is not comprehensive. It is important that a firm does not fail to allocate local responsibility for business areas, activities and management functions, in line with SYSC 4.8.10.

Please provide a title for this local responsibility	Please provide further details of this local responsibility	Is this local responsibility shared? If 'Yes' please provide, the name(s), IRN(s) and/or job title(s) of the individual(s) you are sharing this responsibility with (where known)

Where responsibilities are shared (for example, a responsibility may be shared as part of a job share or where departing and incoming senior managers work together temporarily as part of a handover), please provide details of any sharing arrangements including, if known, the name(s), IRN(s) and/or job title(s) of the individual(s) you are sharing this responsibility with.
