Please note: Knowingly or recklessly giving the *FSA* information, which is false or misleading in a material particular, may be a criminal offence (sections 398 and 400 of the Financial Services and Markets Act 2000). *SUP* 15.6.1R and *SUP* 15.6.4R require an authorised person to take reasonable steps to ensure the accuracy and completeness of information given to the *FSA* and to notify the *FSA* immediately if materially inaccurate information has been provided. *SUP* 16.3.11R requires an authorised person to submit reports containing all the information required. *APER* 4.4.6E provides that, where an approved person is responsible for reporting matters to the *FSA*, failure to inform the *FSA* of materially significant information of which he is aware is a breach of Statement of Principle 4. Contravention of these requirements may lead to disciplinary sanctions or other enforcement action by the *FSA*. It should not be assumed that information is known to the *FSA* merely because it is in the public domain or has previously been disclosed to the *FSA* or another regulatory body. If there is any doubt about the relevance of information, it should be included.

The signatory must be an *approved person*.

I confirm that the information in this form is accurate and complete to the best of my knowledge and belief and that I have read the Notes to this form.

As an *approved person*, I also verify that the Supervisory (Internal Auditing) Committee has carried out a bank reconciliation, as part of their internal audit during the quarter, which is independent of the *bank reconciliation* carried out by the treasury team each month.
