- (1) Each of the following must complete the forms in (2):
 - (a) an applicant for a *data reporting service* authorisation;
 - (b) a *MiFID investment firm* operating a *trading venue* seeking verification of its rights to provide a *data reporting service* under regulation 3(1)(b) and (c) of the *DRS Regulations*; and
 - (x) a *UK RIE* operating a *trading venue* seeking verification of its rights to provide a *data reporting service* under regulation 3(1)(d) of the *DRS Regulations*.

(2) The forms in (1) are:

- 9.2.4
- G
- [deleted]

Cancellation of authorisation form

- 9.2.5A
- G
- When the *data reporting services provider* wishes to vary or cancel all of its *data reporting service* authorisation, it should engage with the *FCA* as early as possible. As part of its supervisory approach set out in ■ MAR 9.4.1G, the *FCA* expects to continue to have an open, cooperative and constructive relationship with the *data reporting services provider* for the whole duration of the cancellation process.
- 9.2.5B
- G
- As set out in the form at ■ MAR 9 Annex 4D, the *data reporting services provider* must provide in its request for cancellation a plan which sets out how it will cease all of its *data reporting services* in an orderly manner

(wind-down plan). The wind-down plan should promote and protect the integrity of the financial markets and the interests of the *data reporting services provider's* clients. The *FCA* expects at the minimum the wind-down plan to:

- (1) set out the governance arrangements and identify a *person* or group within its *management body* to ensure the effective and prudent management, oversight and implementation of the wind-down plan;
- (2) set out the arrangements for the retention of key *individuals* of the *data reporting services provider* in relation to the management, oversight and implementation of the wind-down plan;
- (3) set out communications plans that consider the content, timing and methods of communications to stakeholders and relevant regulators (*FCA, overseas regulators* etc.);
- (4) identify clients who will be affected by the cancellation of the *data reporting services provider's* authorisation and set out the arrangements to support the transfer of such clients to a new *data reporting services provider*; and
- (5) demonstrate that the timings in the wind-down plan are reasonable.

9.2.5C

G

Where a *data reporting services provider* wishes to cancel all of its *data reporting service* authorisation, it must continue to comply with the *rules* in this chapter and other regulatory obligations up until its authorisation is cancelled, in particular in relation to publishing trade reports or submitting details of transactions to the *FCA*. The *FCA* expects the *data reporting services provider* to provide a written confirmation at the end of the cancellation process confirming compliance with the *rules* in this chapter and other regulatory obligations.

9.2.5

D

If a *data reporting services provider* wishes to cancel all of its *data reporting service* authorisation it must complete the cancellation of authorisation form at ■ MAR 9 Annex 4D.

 - (a) all of the questions in the application form at ■ MAR 9 Annex 1D; and
 - (b) the notification form for the list of members of the *management body* at ■ MAR 9 Annex 2D.
- (2) You should sign the *MIS confidentiality agreement* at ■ MAR 9 Annex 10D.
- (3) You should provide the documents referred to in:
 - (a) (1)(a) and (b) together with supporting documentation to the *FCA* as set out in ■ MAR 9.2.6D; and
 - (b) (2) to the *FCA* as set out in ■ MAR 9.3.4D.
- (4) After receiving the documents referred to in (3) and subject to our review of them, we will provide you with a copy of our *Market Interface Specification (MIS)*.
- (5) If you consider that you can meet our specifications you should obtain the *FCA MDP on-boarding application form* at ■ MAR 9 Annex 7D and provide the completed form and any relevant documents to us together with the associated fee in ■ FEES 3.2.7R and ■ FEES 4 Annex 11R. Our consideration of your application for authorisation as an *ARM* is dependent on us reviewing a completed *FCA MDP on-boarding application form*.
- (6) We may at any time request additional information to proceed with the assessment of the application.
- (7) During our consideration of your application for authorisation or verification, we will normally invite you to work with us to undertake the appropriate testing required for you to establish connection to us.
- (8) Having obtained and examined the necessary information we require from you, we will do one of three things in relation to your application for authorisation:
 - (a) authorise you as an *ARM*; or
 - (b) issue a *warning notice* that we propose to authorise you as an *ARM* with the imposition of a requirement on your authorisation; or

- (c) issue a *warning notice* that we propose to refuse the application for authorisation.
- (9) If we issue a *warning notice*, the procedure in *DEPP* applies.
- (10) If we approve your application for authorisation or verification, we will confirm your authorised status.
- 9.5.6** G **Q.** Does an *investment firm* need to be authorised as an *ARM* to send *transaction reports* to the *FCA*?
- A.** No. If you are a *MiFID investment firm* that wishes to send *transaction reports* to us to satisfy your own transaction reporting obligations under *MiFIR* or a *third country investment firm* subject to a similar obligation pursuant to ■ GEN 2.2.22AR,
- you do not need to become authorised as an *ARM*. You are permitted to connect directly to us although there will be a requirement to sign a *MIS confidentiality agreement* with us, to satisfy connectivity requirements and to undertake testing associated with connecting to our systems. For the associated costs please see ■ FEES 3.2.7R for relevant on-boarding costs. If you want to connect to us to send reports on behalf of other *investment firms* then you must become authorised as an *ARM*.
- 9.5.7** G **Q.** Where can I find a list of *data reporting services providers*?
- A.** Regulation 6 of the *DRS Regulations* requires the *FCA* to maintain a register of *data reporting services providers*.
- 9.5.8** G **Q.** I am a *data reporting services provider* and am experiencing technical issues. What do I do?
- A.** In the first instance please contact Market Data Processor support at MDP.technicalOnboarding@soprasteria.com and copy DRSP supervision at MRT@fca.org.uk with a succinct summary of the technical issue(s) encountered.
- 9.5.9** G **Q.** Can any *trading venue* report *transactions* for the purposes of article 26 of *MiFIR* to the *FCA* using an *ARM*?
- A.** Yes. The ability of a *trading venue* to submit data to an *ARM* is consistent with the definition of an *ARM* which enables a *trading venue* to submit information, on its own behalf, to an *ARM*. It is also consistent with paragraph 2 of article 9 [Security] of *MiFID RTS 13*, which enables a third party to submit information to an *ARM* on behalf of others. More generally, it supports the purpose underlying *MiFIR* and *MiFID* of facilitating the detection of cases of *market abuse*.
- 9.5.10** G **Q.** Can a group of *investment firms* aggregate their reporting via an internal hub?
- A.** Yes. A group of *investment firms* may use a hub to assist with aggregating transaction reporting data for each legal entity that is an *investment firm* in the group for the purposes of article 26 of *MiFIR* provided that the hub is either an *ARM* or the hub uses an *ARM* to report the transaction data to the *FCA*. Paragraph 2 of article 9 [Security] of *MiFID RTS 13* confirms that an

investment firm ('reporting firm') may use a third party ('submitting firm') to submit information to an *ARM*.
